

Come and see what all the dogs are barking about! Just northwest of Hillsburgh, ON (25 minutes from Guelph) on 22 acres, with an indoor, heated, insulated and matted training facility, we offer weekend & weekday evening group classes as well as private sessions in:

-  **Beginner & Advanced Obedience**
-  **Beginner & Advanced Rally-Obedience**
-  **Agility**
-  **Tracking**
-  **Solutions to Aggression and Behavioural "Issues"**
-  **Private and in-home sessions also available**

TEN Reasons to choose Spirit Ridge for your K9 Training needs:

- Reasonable prices & class size limited to a maximum of six dog/handler teams
- We not only focus on obedience training in our classes but also provide help with behavioural issues that you may be facing in and around your home.
- Our training techniques focus on your handling & leadership skills and teach you how to get the most out of your dog – YOU become the centre of your dog's attention and not the squirrels, the cat, your neighbour's dog(s), etc. that tend to 'interest' your dog!
- Aggressive or dominant dog? No problem! Choose our combination private/group class package where your dog is prepared for the group class environment
- Experience with all sizes, breeds and ages – from puppy to the more senior dogs (since we are also a private rescue sanctuary helping handlers that have "rescued" dogs is a passion for us).
- We customize our training solutions to your needs; we tailor our instruction according to your K9's temperament – in our case, 'one size does not fill all' (dogs)!
- Have a great (but 'bored') dog and not sure what to do with him/her? We offer a variety of introductory and beginner courses in dog sports – guaranteed to be a fun, tail wagging time for your K9 friend and you! Why not, for example, teach your dog to use her nose (tracking) or learn how to go over the jumps and dog tunnels (agility)?
- Too embarrassed or worried about your dog's behaviour with other humans and/or dogs? Private sessions in the comfort of your own home environment are also available.
- Once a Spirit Ridge client, you will always have back up support and an online trainer communication when you need help or face an unexpected issue or crisis in the future!
- All revenues from Spirit Ridge dog training go towards supporting our K9 rescue program as well as our non-profit, community-based children's literacy programme ("Paws for Literacy<sup>®</sup>"). For more information on how to volunteer or to see what dogs are available and ready to be rehomed please visit our website.
